<b>PE</b>	Boys have PE every Monday & Wednesday, Girls have PE every Tuesday & Thursday Boys / Girls alternate every Friday (schedule for Friday PE is always on the GMS online calendar) Pad Lock (can be a combination, key, or push button lock) Must have tennis shoes available each day they have gym (can be same pair they wore to school) Should always have a pair of gym shorts and a full-length T-shirt in their locker to change into before going to their next class. Most students do not shower. They do need a towel to wipe off with and deodorant to apply after exercising in PE class.
<b>HOMEROOM</b>	2 boxes of KLEENEX

**CALCULATOR:** Students will not need to purchase a calculator. An online calculator is available on the iPad.

**PAD LOCK for PE:** Each student will need to bring a lock for their PE locker. They can be a combination, key, or push button lock. Students should give the PE teacher their combination or extra key in the event the teacher needs to help a student get into their locker.

**PHYSICAL:** If you are going to participate in our 7<sup>th</sup> & 8<sup>th</sup> grade sports programs (volleyball, football, basketball, track), you will need a KSHSAA SPORTS PHYSICAL form on file in our office before you can practice or participate. We hope most of you took advantage of the “free” physicals offered May 2 through June 17 by the Girard Medical Clinic. If you did, please bring your physical form to the GMS office. If you did not go to the free physicals in May, you will need to pick up the necessary forms from the GMS office and take them to your own doctor.

**TECHNOLOGY ITEMS:** To best utilize their iPads in class, students would benefit from having a “stylus pen” and “set of earbuds/headphones”.

**OTHER ITEMS:** There could be an item not on our list that is required by an individual teacher. If this occurs, the student will be given ample time to pick up the item.
