

USD 248 District Update
March 16, 2020: 3:30 p.m.

The Kansas Department of Health and Environment (KDHE) is now recommending 14-day home quarantine for Kansans who have:

- Traveled to a state with known widespread community transmission (currently California, New York and Washington state) on or after March 15.
- Visited Eagle, Summit, Pitkin and Gunnison counties in Colorado within the past week.
- Traveled on a cruise ship on or after March 15.
 - People who have previously been told by Public Health to quarantine because of their cruise ship travel should finish out their quarantine.
- Traveled internationally on or after March 15.
 - People who have previously been told by Public Health to quarantine because of their international travel should finish out their quarantine.
- Received notification from public health officials (state or local) that you are a close contact of a laboratory-confirmed case of COVID-19. You should quarantine at home for 14 days since your last contact with the case. (A close contact is defined as someone who has been closer than 6 feet for more than 10 minutes while the patient is symptomatic.)

USD 248 will follow these guidelines for students and staff who may be traveling during spring break.
